I met Mark in June 77' as we were hired by Western Electric in Mesquite the same day. We lost touch in 81' as I was hired by Southwestern Bell Telephone in McKinney. He knew muscle cars inside out and I purchased his 78' Trans Am in 80' and drove it many years. Mark was a hard worker, easy going, always ready to lend a hand and a good friend. I met his wife to be Ms. Kay before I left and it was obvious they were a perfect fit. Mark will be sorely missed by friends and family alike and was a credit To those who knew him. We will all see each other again one day Mark, until then Rest in Peace.
