I had the pleasure to work with Reynaldo for the past seven months. He had just the biggest, brightest personality. When he laughed, you couldn't help but smile. He became more than a co-worker though, he was a friend. I always knew that I would have shoulder to cry on or someone to listen when I needed it. He would come into work every day, just so happy and full of life. He will be greatly missed by everyone here at work. I know I'm missing my friend every day. Reynaldo Garcia was just a pure, big-hearted soul, and his passing has left a huge space that can never be filled. My thoughts and prayers go out to his family and their loss.
