Peggy Haddock: one of the most elegant, caring and thoughtful people I have ever met. In my book, there were not enough good words to describe her. She was simply the best. Honestly, one of the reasons I liked to see Coley is because I got to interact with Peggy. To her family, I'm so sorry you have lost one of the truly bright lights of EDS and this world. And to Coley, my deepest sympathy. I know she meant the world to all of you. In fact, at EDS, she meant the world to all of us. RIP, Peggy. You deserve that special part of heaven, reserved for people of elegance and grace – characteristics you brought to the job every day.
