Thoughts and prayers for all of you. I pray that Jimmie is at peace, and I asked my parents, who are deceased, to welcome him to heaven. I so enjoyed teaching him and getting to know him. He was liked by all, and he will be missed. God bless.

We are so sorry to hear about Jimmy. We adored him. I remember how he used to talk about investments and I was always so impressed with his knowledge at a young age... maybe 6th or 7th grade. May he rest in peace.

I knew Jimmie from middle-school. We ate lunch together every single day. Such a bright soul with so much wit and intelligence. In 7th grade, he taught me how the stock market worked. What 7th grade understands stocks? Who else but Jimmie McGarry. Rest easy, old friend.

Jimmie was such a sweet and funny kid! I remember when we had lunch with my oldest and your oldest two last year thinking what a wit he had! Lucy and Zoe were on their phones a bunch during the lunch but Jimmie was engaged in the conversation with us and had me laughing at the give and take between him and you , Jen.....There are no words for a loss like this so I leave you with my love and prayers.

Heaven just received another angel. Our hearts are broken for the McGarry family. He will always be the Jimmie we knew in preschool and Kindergarten even though we knew him as a High Schooler. There is a hole in the Jesuit family heart. God Bless you all.

I did not know Jimmy, but I do know God. When Jimmy passed over his angels and guides were there with open arms to love and console him. We know he is alive in spirit, free from whatever was troubling him. The body is gone but not his spirit. You will likely feel him trying to console you as he realizes how you are suffering. I am praying for the family. Love to you all.

I'm so very sorry Jeni, John, Lucy & GiGi! There are truly no words. My heart is absolutely broken. Every time I buy new shoes I think of Jimmie. One year for Fulton's birthday we took GiGi & Jimmie with us & they car ride to the pool he was telling us that he wanted to start a shoe line. I wish I remembered what the concept was behind the shoes. I just remember thinking it was such a great idea & I promised him that I would be one of his 1st customers. He must have been 11 or 12 then & I still can't buy shoes without thinking about him. He will be greatly missed. Many prayers for your entire family during this very painful time.
