Dearest Carmen, you were taken from us and this place, we felt, way to soon. You were such a bright positive and caring person. You were my friend and I'll miss you very much. We hadn't talked in a while but I thought about you quite often and I just want you to know how much you'll be missed and how much you're loved. We'll see each other again, when I too, will walk through those gates in heaven. R.I.P. Carmen. My deepest sympathy goes out to Jason, Carmen's sons, and Mother and Father and the family.
