I got the pleasure of meeting Nan when my sister married her grandson. She was such a sweet lady with lots of knowledge just about anything. At family gatherings she always had a smile that brightened the room and her presence was known. We was so sad to hear about her health declining and even more sad to hear of her passing. Please know that our thoughts are with you all during this difficult time. May you find peace in this time of sorrow.

I met Nan 10 yrs ago when my sister married her grandson Michael. She was such a sweet lady with lots of knowledge just about anything. At family gatherings she always had a smile that lit up the room. And a presence that was so welcoming. We were so very sorry to hear about her health declining and was truly sad to hear about her passing. Know that each and every one of you are in our thoughts tonight. I feel lucky to have known her, what little time I did. We pray that you all find peace in this time of sorrow.
