I'm so sorry! Carla was very special to me! She took me under her wing to help mentor me, I called her Mama C, she was so very special to me. I had lost my Mom several years ago her birthday was the same as Mama C's, Carla treated me like a daughter very protective and loving. spending a week with her in Vegas this past summer was so fun and exciting. I will miss her calls and messages and lectures. I loved her wonderful knowledge of almost everything, she liked teaching me about so much! ??she was a True Friend, a Great Mentor and just a Wonderful Wonderful Inspiration to me. She is so Deeply Missed. Thank you for sharing her with me.
