Still trying to rap my head around the fact that my best buddy Mike is gone. He was such a gentle giant of a man, the nicest guy to be around. We laughed a lot together, it was always easy to catch up with Mike even when we would talk for a few weeks. Recently I was able to spend some quality time with Mike and I am forever thankful for that. Going to miss him dearly. My deepest thoughts go out to his Borthor and sister. Love you Mike!

It is with a very heavy heart that I am writing this. My husband (Tim) and I had recently made several visits to Texas and were able to spend time with Mike. Because of the distance I didn't know Mike all that well. I had the opportunity to get to know him and what a kind gentleman he was!! I really enjoyed our times together and and so sad there won't be anymore. God bless his soul! He will be missed by our family!!

Mike was so special to me.I met him close to a year ago,he was trying to deal with so many things in his life.It was tearing at his heart.I was blessed to be able to spend every week, a special day just walking with him,talking and lifting all of these experiences up to the Lord.I had the opportunity to witness the hand of God change his infected heart to a peace filled,open,warm,loving soul.He was free of anything that had a hold on him and became so selfless.This transformed man was my friend,my brother and I will miss him and our time together.I was blessed by this experience, and will always remember my friend Mike. We had a running line for each other and I will never forget it.We were superheros from Jesus and willing to except and overcome through the Lord whatever was placed in our path.Love to his family and friends.
