My deepest condolences. Vidya was a wonderful mentor and friend to me when I started my banking journey at Bank of America in PVE. I was just a college student trying to get my degree and Vidya was so encouraging! God Bless her soul and will always remember her kindness and smile!

I am so sorry to hear of the your loss. Death is truly an enemy. (1 Cor 15:26) However, this verse contains the hope that we all look forward to when this enemy "will be brought to nothing." Until that time, be assured that your pain is shared by many, including God, who makes the promise to "swallow up death in victory". (Isaiah 25:8) May this hope comfort you in your time of grief.
