Pio, you will be greatly missed by everyone who was fortunate enough to know you. You welcomed me in to the family with open arms and I never forgot the kindness you showed towards me. You meant so much to your family and only time will ease the pain in their heart. Please watch over your family while they grieve and receive the prayers we send on your behalf. I am confident we will meet again one day so I will not say goodbye but see you later. Love you man! MSN
