Jason Colte Grimes

MAY 9, 1983 - JUN 24, 2017

Jason Grimes was born May 9th, 1983 in Dallas, Texas. Jason was a son, father, and loyal friend. He is survived by mother Lisa Wood, father Henry Grimes, daughter Macie, son Knox, uncles Tom, Mark, Craig, Glenn and aunt Julie, grandmother Juanita Griffith and numerous cousins. Preceded in death by grandmother Martha Wood. Jason had a larger than life personality and people were instantly drawn to him. He had a great passion for sports, motorcycles, electronics, drawing, the great outdoors and was a worthy scrabble opponent. He approached everything in life with a curiosity and desire to master those things that interested him. Oscar Wilde said "To live is the rarest thing in the world. Most people just exist" Jason fully lived every moment in his short time on earth and was loved dearly by all that knew him. Services will be Wednesday, July 12th at 2:30 PM in The Memorial Chapel at Restland Funeral Home. Funeral arrangements have been entrusted to Restland Funeral Home and Memorial Park, 13005 Greenville Avenue, Dallas, TX 75243.

My heart pours out to Lisa and her family for the loss of her beloved son, Jason Grimes. I've known Lisa and Jason since 1987 when I moved to Texas to work at Texas Instruments. Lisa was very proud of her son and only wanted the very best for him in life. She doted on him and always encouraged him to go after his passions and dreams. I met Jason several times over the years and he grew up to be a loving and handsome young man. Jason will be missed by many and remembered for a lifetime. My heartfelt sympathy and love to you. May your fond memories and precious moments with Jason be everlasting and a comfort to you... With Love, Karen Berez

I remember playing baseball with Jason and a lot of other childhood friends. Lisa was our coach and we weren't all that good but we always had fun. Also our pickup football games out front of his house. A simpler time for sure. Jason always had a great sense of humor and although I haven't seen him for years I will miss him and remember all the laughs.
