Betty Lou Morgan

AUG 12, 1927 - MAR 21, 2017

Betty Lou (Hancock) Morgan. Born in Dallas August 12, 1927, died March 21, 2017. Preceded in death by husband Frank ‘Buster’ Morgan, son Donald Lewis Morgan, and brother-in-law Bennie Morgan. Survived by son Rick Morgan and wife Caroline, daughter Marilyn Morgan Blaquiere and husband John, and daughter-in-law Stephanie Morgan Smith and husband Gavin. “Grannie” is also survived by her six cherished grandchildren Ashley Morgan Hanna and husband Michael, Brad Morgan and wife Lauren, Kristine Morgan and fiancé Clint Whiteside, Kelsey Morgan, Joseph Blaquiere, and Kimberly Blaquiere, and her adored great-grandchildren William and Catherine Hanna, and Lindsey, Lillie and Bradley Morgan, sister-in-law Coy Morgan, and nieces Vickie Cook, and Debra Ross and husband Keith, nephews Scotty and Chris Smith, and other extended family members. Betty graduated from Forest Avenue High School in 1944 as Head Cheerleader and class favorite. She married her high school sweetheart and football captain Buster in the summer to begin their marriage of nearly 50 years. The friendships made at Forest High lasted throughout her life and Betty helped establish the Forest Avenue High School Alumni Association, as well as working on the reunions for many years. Betty never met a stranger and was always there for a friend in need. Being a math whiz led Betty to work for the Dallas Teachers CU starting in high school, followed by the VA Hospital Credit Union and finally at Gail Sliger Productions where she made even more lifelong friends and where she especially enjoyed seeing all the beautiful events being created. Betty loved family vacations at the beach, celebrating every holiday through the year and cheering on her grandkids at sporting events, rarely missing a game, especially if a football, baseball or volleyball was involved. Betty was a member of Hella Fantastics, and several garden clubs, as she loved flowers and all living creatures – no stray or bird ever left her yard hungry. Mother had a long, incredible life, filled with joy from friends of every generation

My name is Hazel Sale. Betty and I have been friends going way back to High School. Betty was very popular and was liked by everyone. When my husband, Robert, died back in 1996, I don't know how I would have gotten along without the help of Betty. She made me get out and see the world instead of staying at home and grieving. I will never forget her. I only know her daughter, Marilyn, and my condolences go out to her and the rest of Betty's family. Betty will be greatly missed.
