Blaine & I send our sincere condolences to you & the family, Carolyn – we'll be praying for comfort for you all during this heartbreaking time. I was just thinking, if it weren't for Rocky convincing Blaine to go to White Rock Lake with him on that sunny Sunday afternoon, in June 1970, we wouldn't have met our soul mates, Carolyn, and we wouldn't have our wonderful families – I never thanked him but I sure should have ! When I spoke to Rocky last year, it was so obvious just how crazy in love he still was with you, Carolyn, and how much he treasured David & Jennifer and your grandchildren. He may be gone from this Earth but he will always be with you – nothing will ever replace the spot he holds in your hearts and minds. Cherish your memories — I hope you all can find peace in knowing that Rocky's been reunited with his mom & dad, in Heaven, and will be waiting for you all when you get there. Much LOVE!
