Wilma shared so many times with me and my children, Allie and Lecil. They always knew they were welcome at her home whether they were washing her windows or hearing her stories of growing up. She loved playing pitch ball with Allie's 3 year old son. Since we lived across the street for years we watched out for each other. We fell very fortunate to have had Wilma in our lives. I will always remember her gracious smile and warm heart.....Libby Owens

Dear Nancy, Such happy memories of your mom and your dad...they were always so supportive of us kids growing up. I can remember her standing in the front of the house waving goodbye as we would drive off on Sunday heading back to Tech...in high school she always made us welcome and her smile is something I will always remember...it said a thousand words. I know she will be in your heart every day going forward....Love you... Stevie Chaddick
