Dearest Chris our nephew with the most beautiful heart, you are being missed and will be missed forever. You have left a tremendous wound in our hearts that we hope some day will be healed. You have longed for and fulfilled your longing for paradise by visiting places that we, on earth, call paradise. But now, you have been called to the most beautiful and forever paradise that we are promised afterlife. We pray that you are enjoying the promise land and that you will be greeting your parents and your family some day at the pearly gates welcoming us home. We love you Mijo.
