Dave and Steve, I am so sorry to hear about Don. I am in such shock. I know that he is with the rest of our family who have been taken from us and are looking down on us. God needed another angel and yes he needed Don. My love and prayers go out to the both of you and the rest of the family. All my love, Cousin Chris Rutter Williams

I am so sorry to hear of Don's passing. It's been many years since I've seen Don, but I have great childhood memories of mostly the pool (swimming) parties & his fabulous parents. My heart breaks, as it is too soon. (In my time) God bless you, my cousin. Love from Kay Martinez

Don and I played football together at St. Marks. Loved playing pool in his garage and was quite taken by his tapper in the garage fridge. We played many a game of gin rummy in the Student Union Building as we both finished up at SMU. Don was kind enough to be a groomsman in my wedding in 1970. Had lunch a few years back when he was still running Prawnto. Don was truly a gentle giant. Intimidatingly large but as kind a man as you will find. Sad he was taken so early. Steve and Dave, you have every reason to be proud of your brother. Kind thoughts and condolences to you both. John Threadgill, St. Marks '66

Don and I hung out a lot together in high school. We played a lot of pool at his house. It was a pleasure to see him at our 50th reunion. I really wanted to talk, but he said parties like that weren't his thing and left early. The last time I had previously seen him was a year or two after graduation. I do feel sadder knowing he is no longer with us and I will never have that chance to really catch up with him. Walt Woerheide

I have played golf with Don for the last three years or so and we rode together 95% of the time so we got to know each other very well and believe me had lots of good times- Don was a fine man and I will treasure his friendship forever , Don kept up with current events and sports, we were always talking Cowboys , Rangers, and of course if you knew Don, he loved his Politics and was very enthused about the recent election. I will miss my golfing buddy dearly wont be the same without his quick wit and wisdom. RIP old friend- Ed Morris.
