Daddy, I miss you so much my heart hurts. I know that I hit the Daddy "jackpot" with you as mine. You've always been my biggest fan, no matter the endeavor, and most importantly, you always had time to "play" with me. My only comfort right now is in knowing that I'll be with you again someday. I love you, so freakin much, Daddy!

Daddy, I miss you so much my heart hurts. I feel so much that I won the daddy jackpot having you as mine. You loved me with such a fierce and unconditional love. You supported me through every single endeavor. And most of all, you always had time to play with me. I absolutely HATE letting you go, but I will find comfort in knowing that I'll be with you again someday. I love you, I love you, I love you, Daddy!
