I am Lillian Roddy Stracener and was at La. Tech University with Tom and remember some fun times. We later connected again at Network Ministries when we were both there. We had fun remembering people and catching up on our life since then. He also introduced you, Annette, to me and my husband, Max there. Our sincere condolences to you and all the family.

I met Tom and Annette when they both began volunteering with NetWork Ministries in Richardson. Tom and I were interviewers – Annette was involved with the food distribution. There was never one single day that Tom didn't have some good stories for us.....he was such a fun, positive person, full of life.....he was well loved by everyone on our Wednesday afternoon shift. We called him Mr. Monopoly! He will be missed by everyone fortunate enough to have known him.
