After knowing the Smiths' for over 30 years and enjoying their company & conversations as neighbors, friends and clients, I can truly say that they (both Bill & Herma) are valued and respected friends. I'll always remember Herma as the sweetest, capable and giving lady I have ever had the pleasure of knowing or working with. Even after completing any project at their home I was always welcomed as a visitor and invited to partake of the perpetual coffee pot, along with Hermas advice to "Never touch the principle". Herma, you've earned your rest and I'm proud to have known you. RIP sweet lady! Bob .
