We were saddened by the news of Tara passing away. We are praying for the Marcos, the children and extended family that the Lord would give you His strength, peace and comfort at this time and in the days ahead. Tara is enjoying her reward in Heaven and I believe looking down at us and "cheering us on to keep running the race" until we all meet with her again in Heaven. In His Love, Helen & Billy Peters

I will never forget this beautiful smile on the day she threw me my very first EVER birthday party. And had it not been for Tara my kids would have probably never a birthday party either until that age because since I never had a party as a kid I just didn't get the importance of them but Tara made it her mission to show me that birthday parties are meant to come together and celebrate one another and to show each other how special they are to us. Thank you for teaching me to celebrate Tara!

Dearest Tara..I was blessed to have gotten to know you when I did. You reached out to Me when I needed spiritual guidance and moral support. I will always remember your kindness and my perception on You will never tarnish. We spoke last in February 16th, 2 days before your birthday.. I wasn't aware you were so ill..I'm sorry I wasn't there even if for a returned " Get Well soon" but I hope you knew how much I appreciated every word you took time to say to me. Tara, thank you for being a kind friend and a great listener. For the prayers you sent me and the music we shared,..for the long talks about your mother , the advice you shared and times we texted me randomly " How are you? I'm hoping you are ok"... I'm so sorry you had to go..but I'm happy that you are now with your mother and our loving father God. I will Never forget YOU..not ever Tara

I am deeply saddened at the loss of Tara. She was a very beautiful peron inside and out. We met through my sister n law. Tara was always smiling and knew how to bring someone who was having a bad day to laughter. I pray for comfort for those she left behind and I pray that she be lifted to eternal peace with our Heavenly Father. Heaven truly received another great Angel. Tara you may be gone but you will never be forgotten. Till we meet again!!
