Bob & I will always remember Mary as a sweet friend. She was always smiling even when she was struggling to breath. We can see her sitting in her regular seat in Sunday School with her Bible open and listening to every word that was read. My how we loved her and will miss her so much. She requested prayer for her family so many times. Her desire was for all of you to live godly lives and for that hedge of protection to be placed around each of you to keep you safe. She was so grateful Ernie for the time she got to spend with you. You were loved so very much. I know that Bob and I will spend eternity with her when the Lord calls us home. I pray that all you can know without a doubt that you will too. This is what God words says " For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" John 3:16. He paid the price for us.
