Clifford, I cannot even begin to know or imagine what life would be like without my big brother....and I'm truly sorry you have lost yours. In our younger years, Gary was a big part of our family and we will truly miss him. We take for granted people in our lives, both past and present, will always be there and we let some of them drift away.... then realize how much they were a part of your life, when it's always too late to tell them. You and Gary were a big part of mine and Ricky's childhood's memories, and no matter if we stay in touch or not, we love y'all and you will always be a part of our family. God bless you and we are very sorry for your loss. Bryan and Liz Westmoreland
