Huey was a true professional. I worked with him back in 1991-1993 as a UPS driver. What I remember most about him was his smile and how he seemed to enjoy his work and his customers. As a younger guy trying to make it driving, he gave me encouragement and gave me some tips on how to make it as a driver. As the years went by, I would walk through the operations and enjoy the times I got a chance to speak with Huey. Rest in peace Huey and my God bring peace and comfort to your family.

I have beautiful memories ...when we were younger, I enjoyed visiting my uncle and aunt Jesus and Tina and hanging out with my wonderful cousins. I don't see you frequently but all of you mean much for me and I am proud we are family. My cousin Nano left us a message of love and an example of being a great man. His smile reflected a pure and beautiful soul. RIP cousin Nano, you did not die, you just trascended to another level and your essence will remain forever with the ones you love and who love you so much.
