Melvin Roy Noack

SEP 2, 1925 - DEC 23, 2015

Melvin Roy Noack, 90 years old, died of natural causes, Wednesday, December 23, 2015 at C. C. Young Assisted Living in Dallas, TX. He is survived by his two children, Vicki Squires and Eric Noack; Vicki's husband James Squires; Eric's wife Susan Noack; grandchildren Jamie Squires and his wife Mackenzie, Vanessa Squires, Victoria Noack, Alexandra Noack, Michael Noack, and great grandchildren Sloane and Beck Squires. Mr. Noack was born on September 2, 1925 in Port Arthur, TX, the son of Gerhardt Paul Noack and Martha Beisert Noack. He was the youngest of five brothers and two sisters and attended Port Arthur's Thomas Jefferson High School. In 1943, he qualified for military officer's training and college enrollment at Rice University in Houston, TX. During World War II, he served as a Lieutenant in the Pacific Theatre until the end of the war in 1945. He was reacquainted with Rebecca ("Becky") Jean Spicer, a high school classmate and they were married on September 2, 1948 in Port Arthur. He graduated with a degree in Mechanical Engineering from The University of Texas at Austin in 1948 and shortly after took a job with Magnolia Petroleum Company, a subsidiary of Mobil Oil Corporation. The Korean War temporarily interrupted his employment and he served as a Chief Engineer on two destroyer ships, finishing his tour of duty in early 1953. He continued his career with Mobil and transitioned through positions as Field Engineer, Project Manager, Manager of Engineering, Pipeline Division Manager, and Part Interest Manager until his retirement on February 1, 1984. His career took him and his family to take up residence in the states of Texas, California, New Jersey, and Kansas, finally settling back permanently in the Dallas-Fort Worth area of Texas. He and Becky moved to their final home in Trophy Club, Texas in 1987, a home that he designed and contracted to build. Mr. Noack was also an avid golfer and was a member of the Trophy Club Country Club. He also enjoyed travelling with his family and arranged many opportunities to see U. S. historical sites and landmarks as well as enjoying

Our Dear Mel, So many memories of golf, birthday parties, retirement parties and the annual golf outing hosted by Charlie and Mary Darden at Hot Springs Village. We sure learned a lot about life from the life that you and Becky lived. Kevin and I didn't realize that our lunch at the little German restaurant would be our last with you, but it was a fitting goodbye to a buddy with whom we had shared so many good times on the golf course. Now that you have closed this chapter on your life, and ascended to the great golf course in the sky, you now can play from the Gold Tees. To Vicki and Eric, and all of the loved ones left behind, continue to celebrate Mel and Becky's life together and all of the wonderful memories they have left for all of us. Ron and Diana Gerkin

I will always remember Mel (and Becky!) with fondness because of the genuine and open hearts they shared with everyone. The world has lost another beautiful smile and generous spirit. Our condolences to the Squires and Noack families. Much love, the Rommels.

Mel had been a friend and golfing buddy since we first met on the golf course at Trophy Club almost 20 years ago. With Ron Gerkin, another golfing friend, we would usually head to a nearby restaurant after a round of golf. What great times we had? Mel loved the game as he loved life. I was three years younger than him and also had worked in the oil industry, so we had much in common and enjoyed reminiscing about common interests. Mel brought joy to us all and will be greatly missed. Kevin Barry

R.I.P. Melvin Roy Noack, passed away on Wednesday, December 23rd, 2015. Part of "The Greatest Generation". Excellent Husband and Father. Loved his God, his family, and his country. He did not need a "safe place", he created safe places and he was a safe place. He did not just live "The American Dream", he was The American Dream. We will always miss you. Society has to keep creating and building people just like you for its own good.
