I miss you so much Dianne! What are we going to do without you? You were literally my 2nd mother, you were my chipotle partner I loved those trips you would make me laugh when you got mad that they didn't have your certain type of toppings to put on it. I still can't believe it, it's hard to keep tears back. I will forever keep in my mind what you told me. You're in Heaven now with many people who you loved and who loved you. Save us a seat and meet us at the gate! 🙏??❤️
