To Ken and Keith and your respective families, my sincere condolences. It is hard to say goodbye to ones we love. May the peace of God that passes all our understanding be with you now and always. May I digress for a moment and say that I knew your Dad first. My relationship with him was one of friendship, professionalism and Masonic Brotherhood. Hardly a day around the Court in Dallas escapes me without thinking of him. Your Mom was a lovely person and Frank loved her. I know they are enjoying that oneness on the other river bank that we will all abide in someday. My prayers are with you and for you. Take good care!! Guy Hull

What a dear, sweet friend Bobby was. Mike learned all about JCPenney from Bobby and Dianne learned all about being a lady and giving of one's self. Mike's comment was "St. Peter better watch out for his job because Bobby is on her way to organize him and Heaven" She will be missed and will never be forgotten.. The Williams
