I am honored that Bernice opened her heart to me 50 years ago and called me her "fourth daughter". I'm honored because of the type of person Bernice was. She was truly the sweetest spirit I've ever known. I will always love and miss her, but I know that our loss is Heaven's gain. Rest in peace.

There are so many happy memories and good times being around and knowing Aunt Bernice that I couldn't possibly list them all. I do remember 3 adults and 5 kids piling into a Mercury Meteor without air conditioning for a road trip to Carlsbad Caverns in New Mexico.
