Dearest Lesley....I can't believe this day has come. My heart is breaking for your girls and for so many that loved you so much. You made loving you easy! I will never forget the times you and John would come over for haircuts or when you and I would go out to dinner. You treated my daughter like she was your own when I would bring her to work. You treated me like I was your own. You and Josephine welcomed me at Metro Brick and made me feel like part of the family for so many years. You're an unforgettable woman and I am so proud to say that I got to spend 10 plus years with you. I love you Lesley. Rest in Gods arms sweet friend.

Lesley, I thoroughly enjoyed working with you and helping the kind folks at Metro Brick with their insurance needs for the past 20 years. We met when Metro was in a portable building in Addison. You were very instrumental in the growing of the company and took the best of care with all details. A true friend in business. I always enjoyed coming by to see you. You were a rare gem. You will be missed. Sherman Jackson Garland, Texas

Lesley Kennedy. Someone whom I had the pleasure calling coworker, boss, mentor, but most of all my friend. Lesley you were a very special person to me, when things did not go my way you always smiled warmly and encouraged me to push forward. You were always willing to give a kind word to anyone. Even when you yourself did not feel well, you would always try to find the good in the day and always looked for the best in people. You always believed in me and pushed me to do my best in everything I did. It's for this I am proud to call you my friend?? I'm a better person for knowing you and now each time I think of you, I will remember your kind heart. I will truly miss you my friend! With all my Love, Eric Smith- AKA Dough Boy

My dearest friend, I was only 18 when we met. You instantly become my friend, taking me under your wings as you showed me the ways of my first job. I will miss you more than words can express. My only regret is I didn't come and visit more often from Illinois. You were a special lady and you raised two beautiful daughters. Until we met again and I can say in person – I LOVE YOU with all my heart and your daughters.

Lesley, I have no words to express how much I will miss you. I will miss our monthly calls from Illinois to Texas. Our friendship for 45 years has meant so much to me. You were the kindest person I knew. It seems so strange just a week ago today, on your birthday, we chatted extra long via phone. Perhaps there was a reason for that. I am so glad every time we spoke, we ended with "I love you", let me say it one last time, "I LOVE YOU! My sympathy is with your beautiful Daughters, whom I had the honor of knowing when they were small. Your pain is no more and for that I am so grateful. May you now rest in the arms of our Lord, and become an angel, a title you so deserve. LaVonne Huizenga Fulton, Illinois
