Mae was certainly one of the most wonderful, enlightening, enjoyable people I have ever known. It annoyed her at first that I called her Ms. Mae when I first met her but I felt she deserved respect. She got used to it over time and always was such a light during my work days at church, church events, or simply sharing lunch on one of her Blessing Box days. I learned a great deal from her sharing many stories with me on Wednesdays while she worked. I know my life is so enriched for having known her. My heart goes out to the family and friends who share her loss. May the Lord be with you during this difficult time. Suzette Russom
