My precious nephew – I have loved you all of your life and will cherish your memory the rest of my life. You were my firstborn and were very special to me. You never failed to call me on my birthday and I remember other times we called each other just because. I will miss you so much – you truly did light up my life. I know you are at peace now and in no more pain and for that I am thankful. Rest in peace my darling. Aunt Shirley
