I am sorry for your loss. I remember her well, through all the years I was in elementary and junior high school. I was over at your house many times over those years – probably more than I spent at my own. Please take comfort in the memories of your wonderful life with her. – Karl Krayner

When I saw the obituary for Billie Bridges, I wondered if she was the same lady I worked with years ago at Clevepak Corp. I thought she was so much fun as well as being a hard worker. I don't know if your mother is the same Billie I knew, but even if she isn't, I am so sorry for your loss.
