Gary Matlack posted:

I drove through our old neighborhood the other day and decided to stop by Jean's place. That last time I did this, several years ago, she was still there. On this particular visit, however, I discovered that a new family was living there. Some quick research on the Internet revealed that Jean had passed away a year ago. Although we are late in sending them, we'd like to offer our condolences to the surviving members of the Friddle family. Al and Jean were our next door neighbors for many years and a huge part of our lives. We are saddened to hear of her passing.
