Jeremy was one of my son's best friends. He and Greg became friends in Rockwall High School and remained close after high school. He had a smile and personality that would light up the room. He could always cheer up my son and make him laugh. I am sure that Greg and "Gomez" have started the party and we will join them later. Frank & Darla Crone

I am so sorry about your loss of Jeremy. I can't imagine the heartbreak you are feeling after losing him so young. I hope and pray that the memories of his smile, his jokes and his loving nature will help you get through the grief together. I will always remember him as "Brit's big brother". Spending time with his family, no matter what you all were doing was important to him. That was his gift. I will think of you all as you celebrate his life today. If there is anything I can do to help, be sure to let me know.
