Louise was a delightful lady who loved her Lord, was devoted to Grant and her family and loved a good game of Mexican Train with her friends. We will miss you, Louise. Charlie and Virginia Jones

We remember many special times with Louise & Grant during the years they square danced with the Stone Steppers Square & Round Dance Club. In the fall of the year. We drove in a caravan, three couples of good friends, to South Fork, Co. to spent a week square dancing at Fun Valley, always a memorable week . It was during those times, we would talk about our families and we knew their family was most important to them. Louise was so easy to get along with, always a team player. She enjoyed her Garden Club and going to the Christmas Craft shows each fall. Her face would light up the most when she spoke of her grandchildren, they were most precious to her and then came the Great Grands and she even sent us a picture in one of the last cards we received from her. She had a wonderful life and now she is with her beloved Grant in the Grand Squares in Heaven. Marvin & Helen Matus

Louise was a beloved member of our church here at Good Shepherd Episcopal Church in Cedar Hill, Texas. We were saddened to hear of her passing and want to express our sympathies to her family and friends. Many of our members have shared fondly with me their memories of Louise including her regular attendance at bible study, Sunday worship as she was able, and many fellowship events. She has been missed and now will be forever missed. May light perpetual shine upon her and may her Lord grant her peace. Amen. Rev. Marc Dobson, Rector
