Leticia Renay Turner

AUG 7, 1974 - NOV 26, 2014

Leticia Renay Turner a beloved wife, mother, daughter, sister, aunt and friend received her wings November 26, 2014. She leaves behind her loving husband, Devin Turner and three beautiful girls Branisha Connor, Jaida Lovely, and Gabriela Vega-Brown and two stepchildren Devin Turner Jr. and Alexis Turner. Her mother Vivian McGraw and father Robert Reyes and stepmother Delma Reyes. Her devoted sister, Rhiannon Reyes and sister, Bianca Reyes; brothers, Robert Reyes II and Christopher Rangel and their wives, Brandy Reyes and Laura Rangel; two nieces, Mia and Peyton Reyes and her Great Aunt Yolanda Borroel and her family. She will be welcomed into Heaven by her grandparents Abel and Amalia Becerra. Leticia loved to cook and she was remarkable at it. She always made enough to feed an Army. She enjoyed having family gatherings, laughing, music was always apart of her life. She spent a lot of time with her girls as they were her pride and joy. And she sure loved her husband. She always had her nails done and was a huge fan of The Young & The Restless. She cheered for the Cowboys and loved football. Her house always smelled great and so did she. She loved to chit chat with her sister and they could laugh for hours (sometimes getting them in trouble). She was loved by many and friends called her an angel on Earth. The visitation for Leticia Turner will be from 6:00 PM to 8:00 PM Wednesday, December 3, 2014 at Restland Funeral Home. The service for Leticia will be held on Thursday, December 4, 2014 at 11:00 AM in The Memorial Chapel at Restland Funeral Home. Funeral arrangements have been entrusted to Restland Funeral Home and Memorial Park, 13005 Greenville Avenue, at Restland Road, Dallas, TX 75243.

My sympathy for her family... I worked with Leticia...she always kept us smiling and laughing... She loved her daughters so much – she'd tell me little stories about them all the time – especially Gaby.....and oh yes....the Cowboys jersey would come out during the season on casual Friday's :)..... Rest in Peace

My heart was sadden when I heard of your passing. Mixed with confusion, anger and guilt for having lost touch with you. When we last communicated you expressed so much happiness in your life. We can never take that for granted. You were never anything short of a pleasure to be around. I know God does not make mistakes and fully trust His plan to give you perfect peace as needed. I cannot imagine what your children are going through but I will reach out to your family and am willing to help however I can. Until we meet again, my sister.

I didn't know Leticia but we went to high school together. Her husband, Devin, is a childhood friend. We have not been in contact for many, many years. But I can tell from the many pictures I have seen, Devin and Leticia loved each other genuinely. My heart goes out to Devin, the children and their families.

It does not seem real or possible. Leticia was a young, beautiful, and vibrant woman. Fond memories of her, especially when she was a very young girl, will remain in our hearts forever. When she was very little, she would attend our children's birthday parties. When she was a bit older, she babysat for our kids. Leticia was so mature and trustworthy, even at a young age. Alina and Joseph loved Leticia and her family. Abel, Molly, their children, and their grandchildren were part of our family. All of them had such a positive impact on our Campos family. We truly miss them not being on Middleton Road. It is just not the same. Vivian, we cannot even begin to imagine the pain you must be experiencing. We are praying hard for you. Leticia's father, we are so sorry for your loss. Rhiannon, our hearts break for you. You loved your sister and she loved you. Robert and wife, Christopher and wife, sister Bianca, our sincerest condolences. Devin and Leticia's daughters, we hold you safe in our hearts at this time of sadness. To all the extended family and any immediate family we accidentally missed, our sympathy. It's hard to understand why people are taken from us, but find comfort in knowing Leticia is not alone...and neither are any of you. God is always in your corner at a time like this. May God bless Leticia and give all of you the strength to get through such an extraordinarily difficult time. Love to all. Judy, Joe Campos and family

She was a very outgoing person. The one that sparked the crowd up. She will be missed... My condolences to the family. Im here for support.
