One of my oldest dearest friends left this earth this evening. He was my mapsco when I got lost. He was my lap when I was tired He was my dance partner, when I wasn't asked. He always knew the way to do whatever crazy thing I came up with. He cheered me on when I learned to ride my first Harley. He blocked the cars from the motorcycles at the toy run He literally picked me up off the ground. He figuratively picked me up, more times than you can imagine. He never met a stranger and was loved, respected and admired by many. Kenneth Tackett you will be so missed. Prayers to Linda Tackett, Keith Tackett, Kenneth D. Tackett Jr. Cynthia Michele Tackett, along with his nieces, nephews, grandchildren and great grandchildren. I LOVE YOU KENNETH TACKETT! God Speed. Linda and Lucky

Prayers are with you and yours at this time of great loss and sadness, Ken was a great friend to all and a very good friend of Elizabeth and I. I remember he saved my performance at the Veterans Dinner at the Lodge by coming to the rescue with a Microphone, as mine decided not to work. He was an Angel on Earth and I will never forget him. We love you Ken Tackett. You will remain in our hearts forever. Love , Beverly Schultz and Elizabeth Huddleston.

The world is a lesser place without this wonderful man. He was like a father to me and I still remember his wise counsel and kind words. He never said a harsh word about anyone and considered no one a stranger. My thoughts and prayers are with the family.

Just wanted to say how much he will be missed. he did so much for me at that lodge when I was Pres. of Aux. ..He built our shelves in our decoration closet, but shelves for me in outside shed, build the racks to hold our Black curtains to cover bar.. helped scrub kitchen and floors. and personally built me a Wig rack I have at home.. He did it all at our lodge.. He was such a kind man never said no to no one. I could go on and on. This family is a real family full of kindness and love. You will be missed Kenneth. Hugs and Prayers to Family.
