Mike Mayo was born November 4, 1954 in Sherman, Texas and died September 18, 2014 in Richardson, Texas. Mike had a zest for life and a larger than life personality. He loved his family and friends and they loved him. So much kindness, respect, appreciation and love were extended to him during his short bout with cancer. Mike is survived by his family, Marsha Mayo, Cadey, Alex, Reagan and Kennedy Charfen, Tom and Suzie Mayo, Catherine, Keith, Kyle and Kacey Cargile, Kelley, Kyle and Connor Mendez, Cynthia Mayo, Diane Mayo, Josh and Cade Mayo, Dawn Mayo, Samantha and Jake Sturgeon, and a loving group of aunts, uncles, cousins and extended family. He is preceded in death by his mother, Joan Kemendo Mayo and his sister Susan Mayo. In lieu of flowers, perform an act of random kindness. Leave a really big tip, buy someone's lunch or adopt a pet. The celebration of life for Mike Mayo will be at The Memorial Chapel at Restland Funeral Home on Thursday, September 25, 2014 at 11:00 AM, at Mike's request, dress is casual. Funeral arrangements have been entrusted to Restland Funeral Home and Memorial Park, 13005 Greenville Avenue, at Restland Road, Dallas, TX 75238.

I will cherish the remarks from Mike during yoga sessions. He was a quick wit with a great sense of timing. He was the most gracious host. His zest for life lives on. May the angels lead you into paradise, Mike.

Our hearts go out to Marsha and Mike's family. We just heard the sad news this afternoon or we would have been at his celebration of his life. Bradley and I rented our first house in Richardson from Mike and Marsha. We have a lot of memories in that sweet little house. I remember one night after one too many scotches Bradley jumped on mikes back on the front porch and I thought they were going down but mike was strong. We have laughed about that story for all these years. It seems to always come up when we are reminiscing about our wild and crazy days. Much love to you Marsha. Both bradley and I couldn't believe it when Joe Holt Bradley's dad told us. All our love. Susan and Bradley Holt We have thought of y'all often over the years always with a smile on our face and in our hearts.

I knew Mike from the horseracing community for over 15 years. He was always so kind and caring to me, my parents (Joe & Valerie Hinson) and my sisters. Sitting in those handicapping tournament rooms, he always came by with something funny to say to break the seriousness of the day. He always took the time to offer a shoulder and words of encouragement while my parents battled their health problems. He was a caring heart when I lost them both to cancer. He was a friend, a kind face and always offered a healing hug. Thank you, Mike for sharing your life's light. Thank you Marsha for always offering your sweet smiles. My love to all of Mike's family and friends. I am so grateful to have know such a beautiful soul. Love and healing, Kelly Phillips

Mike was a one-of-a-kind, special man. Pam and I, as well as our daughters, were extremely blessed to have known him and Marsha and shared a wonderful friendship over the past quarter century. Although we are all very sad on Earth, we can be sure that Heaven is a much more festive and joyous place with Mike passing through the Pearly Gates. May God's peace be with Marsha, Cadey and all of the Mayo and Whitesides family. Len, Pam, Madison and M'Lynn Musgrove

Mike was the big brother that always looked out after everyone in the Family. He was Large and In Charge of all that he did! There was a security he placed upon everyone around that "all would be ok". He was a happy soul, loved life, good food, music, people, travel, horses, and most of all Marsha. We already miss him dearly but know he is the happiest now and we will see him again.
