I am sorry to hear of your loss. The death of a loved one is one of the most devastating experiences a human can face. At times, the loss can seem unbearable. The Bible promises; "God is near to the brokenhearted." It also says: "Throw your burden on God and he will sustain you." (Psalms 34:18 and 55:22) I hope this message will help you cope with the loss of your loved one.

John was my longest friend in Dallas. Although we recently lost contact because of my moving to Palm Springs, CA and his move to El Paso, I will always cherish the many great times we had together, especially the trips we took and the parties we had. He was truly a loved and dear person. My condolences to his family and friends. Bill W. Boyles billinpalmssprings@verizon.net
