W. Patrick Kendrick posted:

I want to thank you for being kind to me. I am grateful to you for the friendship, attention and the generosity you imparted to me. I always felt comfortable and special in your presence- you were a second mother and big sister both. I think back cheerfully of the tuna fish casseroles, the Charlie Tuna gifts, the Rooty Root Beers, and the time spent with you, Dad (Walter) and your family. Too, I've been a Neil Diamond fan ever since you gave me the Neil Diamond Gold 8 track tape. I pray that you, Dad, and your parents are in a good place, and all your family alive on earth are doing well. I hope to see you again someday and tell you these things myself. Love, Patrick Kendrick
