Drew was one of my close friends for much of my time at FBA. I will never forget his fun-loving and caring attitude. Through all the tough times he remained strong and positive. I can't believe how quickly life can change so drastically. My heart goes out to the family; I can't even begin to imagine the grief you must feel over the loss of Drew. I'll always remember the good times we had during and after our time in school. Drew was a great friend who will be dearly missed.
