I will never forget being in her sixth grade class at Mendenhall. Her "whirring" wheelchair that always alerted us to her return to the classroom. And the time that she "bopped" a student on the head for talking in class after she had called him down several times. She was a great teacher.

I've never forgotten Mrs. Stimpson and have spoken of her often. She was ever teh smile in our halls at Mendenhall, I loved being with her for the short amount of time I was in her class. I know she will forever be smiling down on her family and former students, she was truly an angel on Earth. All my prayers for her family. God Bless and comfort you at this time in your lives.
