# JN Foster

AUG 19, 1921 - NOV 10, 2010

**J** was born August 19, 1921 in Eldorado, Arkansas and passed into the arms of Jesus on November 10, 2010. He was 89 years old. J is survived by his loving wife of 29 years, Dorothy Foster. Also survived by son, Thomas L. Foster and wife Dorothy, step daughters Sherry Wilson and husband John, Linda Gigowski and husband Rick, step daughter Sherrye King and step daughter Marlene Wyant and her husband Bennie, step son Raymond Self & wife Geraldine. J is also survived by many grandchildren and great grandchildren, nieces and nephews. He also has a host of new and old friends. J was a true follower of Jesus Christ and a very successful soul winner. He witnessed to anyone who crossed his path telling them of the love of Jesus and how they too could have eternal life. J loved his God, country and family. He was so proud of his grandson, US Army SFC Mark Gigowski, for his service to our country and great-grandson, RCT Shawn Gigowski who graduates from Marine Boot Camp next week. J always wore his American Flag pin next to his heart. J had a very rewarding career in insurance that spanned 50 years. He retired multiple times but he loved his customers too much to make it permanent. J and Dorothy traveled the world visiting Israel, Egypt, Italy, Paris, England, Switzerland, and Holland and even took a cruise on the Love Boat down the Mexican Riviera. J and Dorothy hosted many church and family parties at their home in Rockwall. They also took many bus loads of seniors to Branson, Missouri. J and Dorothy are members of First Family Church in Dallas, Texas. J was the head usher for over 15 years and did his job with a flair few possess. He trained and mentored many Christian men along the way and he was deeply respected for his Bible knowledge. He was also appreciated for his dancing that could be seen many Sundays during a rousing praise and worship song. J and Dorothy recently relocated to Frisco, Texas and have made many new friends in a short time. The family wants to thank the caregivers from Bluebonnet Hospice. All of the caregivers have been especially kind and loving. We love you, Kandice, Judy, Beauty,

Grandpa Foster was the only grandfather that I really knew. We visited with him when we were younger but as we grew older and moved to Arizona we did not see him much. I was not able to make the trip for the funeral with my mother Sherrye, and my two sisters, Connie and Sherrye but my thoughts and prayers are with all the family. Thank you for such a wonderful display of Grandpa's life on this web site. His legacy will live on and will continue to inspire many. I remember he used to call me GALILEE. Hey Grandpa! Let's get to know each other better when I see you in heaven ok? Love you. Gayle
