Jeanette-I was a Senior in Sherman in 1963 and although I never met Ronnie, I certainly knew of him. I am a former Auxiliary Police Officer and also had a classmate who was a Dallas officer for many years and I knew some of the other Dallas officers, I often thought of calling Ronnie to see if we had some mutual friends. I regret that I never did that, I would have enjoyed knowing Ronnie. God bless you and your family in this time of deep loss. Sincerely, David Hall-Sherman (Class of 1963)

As a young boy growing up in Garland, before the football state championships, one of my first childhood memories was going to Williams Stadium to watch the Owls. I don't know why, but one player caught my attention – Ronnie Fitzgerald. I think it was the fact that he seemed smaller than the other players, but played with as much, or more, heart than anybody. Hey Ronnie, thanks for the memories.

Only recently did I learn of Ronny's death. He is missed. He was my angel while on earth. A very kind, loving and loyal person. I was blessed to have been his friend. Valeria was so happy he met and married a lady capable of giving him the love he deserved. I was too. My prayers and loving thoughts go to his family.

Jeanette, I am so sorry for your loss. I know words don't bring much comfort right now. Ronnie was a funny man who loved people, he made me laugh from the time I was a teenager. I will miss him. I am praying for you, Chase, Brandon, Jennifer and the kids. Mom said the service was beautiul. If you ever need anything I am here. Trust in God and know that we will see him again. We are confident I say and willing rather to be absent from the body and to present with the Lord. 2nd Corthinans 5:8

My father was Norman William (Patrick) Fitzgerald. He had a son named Ronald back in the early 1920's. I have been unable to locate Ronald's children, and was just wondering if your Ronald's dad was also named Ronald. We also have several Robert Fitzgeralds in our branch of the Fitzgerald family tree. I know you are busy now, and I'm sorry to interfere with your grief. If you would like to reply after some time has passed, I'd be happy to hear from you. My deepest condolences in the loss of Ronald. I know how much it hurts.
