Dear Valerie, I hope your heart is soothed by all the grand memories you have of your mother—how about those peanut butter and honey sandwiches that she made you? Just a little touch of her good mothering and I remember her contagious laughter. I hope you are at peace knowing she is whole and home with all those she loved while here on Earth. Fond Regards, Lise White Rollert

Dear Valerie, Nicole, Kip, and Robert, I am so sorry to learn of the death of your dear Mom. She was a great friend to my Mother and a support to me as Mom neared the end of her life. She was a gracious person of high integrity with a delightful sense of humor. I am so grateful for the many memories I have of the time that we were neighbors on Royal Lane and the subsequent years of friendship. Blessings to each of you and your families. With much affection, Tamara

What a grand lady and friend. I met Joan about 13 years ago and she has been a dear, dear friend. She had a zest for life and a wonderful sense of humor and a faith in God that was deep and strong. Sometimes when mine was weak, I would borrow hers. We shared the love of God together. She loved her children and grand-children deeply and always and always had something good to say about each. I will miss her twinkling eyes and smile. When my husband was ill, she was always there for us and will never forget her kindness and steadfastness. Love you, Joan.
