Hi, thinking of you from time to time, i aren't to busy not to, and my friends and customers keep me busy..... just rain and rain, i don't think we have quite recovered from our flood wiped out \$100 or more of our crops this year. we have a new river line now and really no riverbanks in quit a few places. Wished I could have visited you one more time if everyone wouldn't stop me from going... arrr, not happy with them. Their at your and Momma's grave site i seen a stone donated from the restland funeral home. I was going to put a flower from your flowers left on this person's grave site and forgot. I wouldn't think you and Momma' would have minded, since your not the stingy or mean minded people as some our. Love and Miss You Always Dana Aleta Utterson.
