I worked with Phyllis for a long time, she was more than just a patient to me; she turned into a friend. I haven't seen her in a long time and am just now hearing of her passing. She was a wonderful lady and her red hair fit her spitfire attitude. She will be missed, she has been thought of daily. I now feel as though I have a guardian angel watching over me. Thank you for the laughs, tears, inspiration and love.
