May God be with you & your family through this difficult time. Savannah, the youngest in our family, grew up with Tracy's daughter, Brittany. They played sports through high school together & we have all set in the bleachers cheering them on. Lord Lift her up & let her be with Jesus. God Bless you All. We LOVE you Brittany! I am so sorry for your loss of Tracie! She was my boss at Lady Foot Locker in Lake Charles, Louisiana, and we became best friends during her duration in Lake Charles. We continued to keep in touch when she moved to California, and I went and visited her and Steve O. She came to San Antonio Texas to visit with Steve B., and we went to dinner. That was the last time I saw her and Britnie. We stayed in touch for several years and she truly was my best friend. I moved and changed my phone number, and she did as well..I left numerous messages with Steve at their place of business but, they were going through a divorce the receptionist told me. I never heard from her again. Will someone Linda her mom or Britnie please call me and let me know what happened to her? I was trying to find her on Face book when I found this. I am just sick..we had so much fun and very fond memories, and I have been trying to find her for years, but last I spoke with her she had just finished school cosmetology for nails, and I wrote her number down then misplaced it. I tried so hard to find her ..I would really appreciate more than you know to find out what happened to her. She meant the world to me, she was always had that smile..fun loving personality. I would just like to have some closure. I truly hope to receive a response as her and I was very close. She just always said you can find me by contacting my mom Linda Smith in Dallas. It looks like she must have had more children as well. I only got to meet Britnie a beautiful little girl just like her Mom..My heart just hurts I should have tried harder, but I did everything I knew of to try to find her..She left an everlasting smile on my heart, and I loved her like a sister..My 2 sons remember her, and I haven't told them yet, but am certain they will be very upset. So, please if you can call me at 210-215-3232 or email me pjchambers107@yahoo.com and let me know. I want to say again, I am so sorry for all of her family as she was the best!!
