**W**anda Lou Bohannon, of Denison, Texas passed away at her home on Wednesday March 3, 2010. She was 71 years of age and surrounded by family when Jesus took her home. Wanda was an avid fisherwoman who loved spending time at Lake Texoma where she made the fish tremble since 1976! We have had many, many experiences together, especially in the Navy. Lee, Mass really was an experience in the horrible cold weather. The children were just babies. But God was with us and we made it through that time. Our love to you Don, and the children. We will miss her terribly. Love, Bill and Carol

We hope that this poem by "Dana Roberts Clark" will help you during this time. I cannot see her But I know she is there. She's my guardian angel; My life with me she shares. Until my time is over And God wants to bring me home, She will be there to protect me When things sometimes go wrong. With our prayers for you and the family, Jim and Cathy

Dear Uncle Donald and Family, I am so sad that Aunt Wanda has passed away. She was a very special lady and meant a lot to me and my family. She will be missed so much. I know it is difficult to let her go. Thank God for the wonderful memories we all have of Aunt Wanda. I will continue to pray that you will be comforted and encouraged by the many prayers said on your behalf. Also, that the Lord will be a very real presence in your lives in the days ahead and will give you strength to get through each day. I heard a statement at a memorial service once that meant a lot to me and maybe it will help you too. "We will be with them longer than we will be without them." All Christians have that hope in eternal life. I love all of you and please know that you are in my thoughts and prayers.
