Lara & family, although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. May the comfort of God help you during this difficult time.

My Dearest Betty, Lara and Brittney I know the pain and the feeling of loss that you all are going through. I wish I could have been there for you, Betty. You said David came over a few times and that, I hope, helped you. If you need anything, please call. Love you Bev
