Margaret, Elizabeth & Family, My condolences to you and your family. Your mom has such a special place in my heart. As you know she was my first boss at my first job. She was a wonderful and beautiful lady. I always smile when I think of her and the time we spent together...and everything she taught me about work and life. I have always loved her for that. I was just thinking of her this week as I made the last batch of chex mix for my friends and neighbors. I thought about how we used to make that stuff and sell the heck out of it at the deli. Know that she will always have a special place in my heart. I love you guys and I will keep you all in my prayers during this time. Jenny
